Visit of Hon. Cone Johnson

Five Hundred People Hear His Masterly Address at the Courthouse—Brazos County Central Anti-Bailey Club Was Organized.

The district court room was filled to overflowing yesterday afternoon to hear the address of Hon. Cone Johnson of Tyler, candidate for delegate at-large to the Democratic national convention at Denver. Every seat was taken and in addition Mr. A. W. Buchanan informs The Eagle that 125 chairs were placed inside of the railing. In addition to this the doors were crowded with those who were unable to find seats, many of whom stood throughout the entire discourse. Others stood about the walls and still others sat on the ends of the railing, and the steps of the judge's stand, so that there must have been fully five hundred people present.

A number of ladies occupied seats to the left of the speakers stand. Many farmers were present, notwithstanding the condition of the roads from the floods. Farmers were present from the College, Rock Prairie, Harvey, Kurten and Steep Hollow communities, and from north and west of town. Many of them wore anti-Bailey badges and joined heartily in the applause which greeted the speaker throughout the discourse. Mr. I. M. Cook the president, and other prominent members of the Brazos county farmers' union were present, and occupied seats inside the rail.

The crowd was largely anti-Bailey in sentiment, but there were a number of Bailey men present, and Mr. Johnson thanked them and the ladies especially for their presence. The speaker was given close hearing throughout his discourse and was much pleased with his reception.

Mr. Johnson arrived Sunday night, and yesterday morning received many callers and met numbers on the street. He is a gentleman of engaging personality and makes friends wherever he goes. Before the hour for the speaking arrived the Bohemian Club band appeared on the streets and played a number of inspiring airs. Over four hundred badges were provided and given out by Mr. G. S. Parker and others, and were seen fluttering on lappets about the streets. Some of the stores complied with the request to close.

The band led the way to the courthouse shortly before 2 o'clock, and there continued the musical program while the house was being rapidly filled. Large banners proclaiming various campaign sentiments were displayed on the walls, and were referred to by the speaker, notably that which proclaimed that "No man can serve two masters."

The house was called to order by Mr. J. E. Butler, who after a few remarks regarding the purport of the occasion, asked that prayer be offered by Rev. J. B. Turrentine, pastor of the Bryan Methodist church. After a fervent invocation Mr. Butler called upon Mr. A. W. Buchanan to introduce Mr. Johnson. Mr. Buchanan served in the legislature with Mr. Johnson and their friendship is of long standing. Moreover Mr. Buchanan's pleasing personal references to Mr. Johnson were from a knowledge of the man. Mr. Buchanan, before presenting the speaker, reviewed the action of the present Democratic State executive committee in first refusing to order the approach-

ing primary in voting down the Edward's resolution, and later when the people were heard from, responding to the demand.

Mr. Johnson prefaced his remarks with a plea for moderation and tolerance in the campaign, a matter which he referred to again at the close in thanking the crowd for the attention given him. At this juncture he said that the present campaign had led him to believe that if the speaker if not disorderly the crowd would not be. Mr. Johnson also referred to the manner in which the primary was secured and the people allowed the privilege for the first time in Texas, of voting for their delegates. In this connection he discussed the primary system now in vogue for nominating officers, and recounted the opposition with which it met from the politicians.

The speaker then took up the Bailey ticket for delegates and showed that of eight men on it, seven are office holders, while all eight of the anti-Bailey candidates are private citizens. He criticized Judge Brooks for leaving the criminal appeals bench to run for governor, when he said the law required the court to sit nine months in the year. He said the court was then behind with its work and compared the action of Judge Brooks with that of Judge Henderson formerly of Bryan, who though he was a candidate for re-election, and was also in such poor health that he should have been at home under the advice of his physician, yet he stuck to his post and did the work he was elected to do and the people rewarded him with re-nomination and re-election, while Judge Brooks was defeated for the nomination for governor. He applied the same criticism to Judge Brooks in the present campaign.

Mr. Johnson then went into a detailed discussion of the record of Senator Bailey, as he has done elsewhere in the campaign throughout the state, and reviewed in detail the expulsion and readmission of the Waters-Pierce Oil Co., and all transactions with H. Clay Pierce in connection with and subsequent to the readmission. He also stated that in the six years since readmission the Waters-Pierce Oil company has realized over \$11,000,000.00 on capitalization of \$400,000.00. The major portion of the remainder of the address was taken up with these matters, which are familiar to all newspaper readers.

Mr. Johnson eschews flights of oratory, but it would be difficult to find a more ready and convincing speaker, or one who can group his arguments more effectively. He was repeatedly interrupted with applause and cries of "Hurrah for 'Cone' Johnson," and when his speech was ended many pressed forward to shake hands with and congratulate him.

Notwithstanding the lateness of the hour and the fact that many were leaving, Mr. Butler again called the house to order and an anti-Bailey democratic central club of Brazos county, was formed and those present enrolled their names. Mr. W. E. Saunders was elected chairman and Mr. W. S. Wilson Jr., secretary. The chair was authorized to designate some one in each precinct to call meetings for organization, and several gentlemen were named. Judge J. W. Doremus, C. S. Jones, I. M. Cook and G. S. Parker were named as a committee on resolutions. The resolutions will be published later.

UPRISING IN MINDANAO.

White Settlers and Natives Engage in Warfare.

San Francisco, April 20.—Army officers on the transport Buford, which has arrived from Manila, brings news of a serious uprising in Mindanao and spasms of guerrilla warfare between the white settlers and natives.

"The natives fired on the whites," said Colonel F. W. Magsfield of the Second Infantry, who is in charge troops that arrived in Buford, "and we ended trouble for a time. But another outbreak may come at any minute."

Captain Charles H. Muir of the Second Infantry spent some time in the Moro country quieting the natives, and says the campaign there was a trying one. The natives, he said, fight as did the North American Indians, and it takes many weeks of scouting and hard work to bring them to terms.

Question Submitted.

Austin, April 20.—Will White, negro chairman of the Tenth Republican congressional district, submitted the question to the attorney general's department as to whether or not a congressional chairman must also be a county chairman under the Terrell election law. This question arises over the effort of Cecil Lyon, state chairman of the Republican executive committee, to oust White.

CONTINENTAL CONGRESS.

Daughters of American Revolution In Annual Session.

Washington, April 20.—The seventh Continental Congress of the National Society of the Daughters of the American Revolution convened here Monday at Memorial Continental hall with an unusually large attendance. The congress will be in session for six days. As this is an "off year," the exciting scenes incident to the election of the head of the organization will not be gone through with. The selection of ten vice-presidents general and discussion of proposed amendments to the constitution, however, will afford considerable interest for the delegates. Among the vice-presidents general places to be filled is Mrs. Ira R. Evans of Texas.

A number of social functions will be given in honor of the daughters during the week. On Thursday President Roosevelt will receive them at the white house.

The first session of the congress was formally called to order by the president general, Mrs. Donald McLean. She made an address of welcome, followed by brief responses by a number of national officers. The morning session was concluded with an address of welcome to the daughters from the Sons of the American Revolution by their president, Judge Anderson.

REV. J. J. TATUM WILL RESIGN.

Goes to Accept Charge in Iowa—Has Done a Great Work for The Bryan and Other Churches—300 Added.

Rev. J. J. Tatum has announced that he will shortly resign as pastor of the Bryan Free Baptist church, and will move with his family about the middle of May to Oelwein, Iowa, where he will accept the pastorate of the Free Baptist church. Rev. Tatum has already resigned as pastor of of Kurten, Brightlight and Wellborn Free Baptist churches, which he has also served for some time.

This announcement is received with general regret by the people of Bryan and Brazos county regardless of denomination. He has lived in Bryan and served the local church the past two years, with great success. There have been sixty-eight additions to the membership under his ministry, and the church has been built up in all its departments. Not only so, but Rev. Tatum has co-operated with the local pastors union, and his influence for good has been felt throughout this section. There has been a total of 128 additions to the four churches named above, and a total of 300 to churches in Brazos county and elsewhere in the state as a result of his evangelistic work during the two years past.

Negotiations are in progress to secure a pastor to take up the important work Rev. Tatum leaves, and definite arrangements will likely be concluded by the time of the departure of Rev. Tatum and his family.

A. A. DEAN FOR DISTRICT.

Mr. A. A. Dean requests the Eagle to announce his candidacy for the office of district clerk of Brazos county, subject to the action of the Democratic primaries, and we taken pleasure in presenting his name to the qualified voters of the county. Mr. Dean has been a resident of the county thirty years and has been engaged in farming. He is known throughout the county as an upright, honorable gentleman, and is qualified in every particular for the duties of clerk of the district court. Quiet and unassuming in disposition, he gives strict attention to whatever business he has in hand. In this instance, if elected, he promises a careful and painstaking performance of his duties. With this assurance he enters the race, and we submit his claims.

EASTER RAINED OUT.

Easter Sunday proved to be the wettest, gloomiest day of the year, and wound up with everybody apprehensive of an overflow of the Brazos. Early Sunday morning the weather was fairly promising, and there were lots of folks who donned their new spring things in great glee; but the pleasure was short lived. A blast from the north ushered in the rain, and dress again orders were issued. Services were held at some of the churches, and were highly profitable to the comparatively few in attendance.

COL. M. L. ROBBINS HAS RESIGNED

A press dispatch from Houston announces that Col. M. L. Robbins has resigned as general passenger agent to the Houston & Texas Central railway, effective May 1. His resignation is due to continued ill health. Col. T. J. Anderson, general passenger agent to the Sunset Route, will take over the Central passenger department. Col. Robbins has been with the Houston & Texas Central twenty-eight years.

MATINEE SATURDAY AFTERNOON

Russell's Comedians will give a special matinee performance at the opera house Saturday afternoon. Ladies and children are especially invited. Admission, 10 and 25 cents. The house will be darkened and the lights turned on. Manager Mike announces that the play will be in all respects equal to a night performance. 116

OUT IN LOW PLACES.

Advises from the Brazos river at Pitt Bridge late yesterday afternoon were that the river was beginning to run out in low places, and was rising two inches an hour. News from above was more encouraging, it being that the river was falling. While there may be some overflow, the situation last night was much more favorable and it was not believed that it will be disastrous.

A. AND M. WON FIRST GAME.

Will Play University of Arkansas at College Again This Afternoon.

The A. and M. boys defeated the University of Arkansas in the first game at College yesterday afternoon by a score of 4 to 1. The two teams will play again this afternoon at 4:15 and all lovers of the sport are invited to attend the holiday game.

The Eagle learns that the Russell Comedians gave a good play last night and were heartily received, especially the specialties.

A young negro boy, fourteen years old, fell dead while playing marbles near Kurten Sunday.

Austin, April 20.—Governor Campbell has received the resignation of Justice Stephens of the Fort Worth district court of appeals, effective May 1.

Tributes to the Dead.

Washington, April 20.—Both Democrats and Republicans eulogized the late Senators Morgan and Pettus of Alabama in the senate.

J. H. SUBER FOR DISTRICT CLERK

The Eagle is authorized to announce Mr. J. H. Suber as a candidate for district clerk of Brazos county, subject to the action of the Democratic primaries, and his name will be found in the proper column elsewhere in the Eagle. Mr. Suber was born and reared in Brazos county, and is a worthy and reliable young man, competent in every way to discharge the duties of the office. He has had several years experience in office work, having been assistant in the office of the tax collector and bookkeeper for S. H. Dunlap Co. He is well and favorably known throughout the county, and will make an active canvass for the place he seeks. The Eagle takes pleasure in presenting his name to the voters, and believes that if elected he will make a competent officer.

HOLIDAY POSTPONED.

By order of the city school board the holiday in the public schools today has been postponed until May 8. The condition of the weather and excessive rains have made it impossible for the enjoyment of the day out of doors today, and it is hoped that May 8 will be more favorable to picnics and outings.

GAVE HIM THE LIMIT.

San Antonio, Texas, April 20.—War on the "pistol toters" now being waged so vigorously in Southwest Texas, reached the high water mark yesterday when Walter Horton, a negro, was fined \$200 for carrying a pistol. This is the maximum fine and carries with it a prison sentence which will be worked out on the county roads. The pistol carrying habit has in the last year and a half helped much in the building of goods roads. So many would-be "bed" men have had to work off their superfluous pugnacity in breaking rock that pistol carrying is getting to be very unpopular. The working of short-term convicts on the roads has proven one of the most successful experiments in the handling of criminals that this county has tried.

MINNESOTA MAN TOO LATE

Kentuckian Says That if Prompt Backing Had Been Given Him When the Name of Johnson Was Suggested the Governor Might Have Got Nomination

New York, April 20.—Hon. William J. Bryan arrived here Monday after two days spent up-state in making speeches and holding conferences with various political leaders.

Mr. Bryan on his arrival went to the Hoffman House, which has served as informal Democratic headquarters for years. At the hotel he said the purpose of his visit is to meet Mrs. Bryan and daughter, who are returning from their European trip. Mr. Bryan said he had no appointments with any political leaders here.

He was asked concerning the statement of Chairman Connors, in which the latter said that Mr. Bryan left it with him whether an attempt to secure an instructed delegation for the Nebraska be pushed at recent state convention.

"I never left anything to anybody in which I was concerned," said Mr. Bryan. "I told each man to do what he pleased, but I had not left anybody to decide matters for me."

Mr. Bryan said he did not know anything about the report that Senator McCarren would carry the question of unseating the Kings county delegates to the Denver convention, neither would he discuss the published report that Illinois was likely to send an uninstructed delegation to the national convention.

Colonel Watterson said there was nothing in the convention he had with Mr. Bryan at breakfast that he cared to make public.

"Personally, I have no doubt Mr. Bryan will be nominated at Denver," said the colonel, "and I think we have a good chance to elect him. The movement in the interest of Governor Johnson comes too late and from the wrong quarter. If the interests that are now urging his nomination had backed me when I advocated his candidacy ten months ago he might have had a chance of the nomination."

Quarrel About Children Results in White Woman Killing Negroes.

Memphis, April 20.—Mrs. James Wright shot and instantly killed Leila Gordon, a negro woman. Mrs. Wright used a single-barrel shotgun and one shot tore an arm completely from the negro woman's body.

Mrs. Wright shot at another negro woman after a chase of a block. The homicide followed the desperate battle between white and negro women in which Mrs. Wright's sister-in-law received a bad beating at the hands of the negroes. A quarrel over children was the cause of the trouble.

NEPHEW KILLS UNCLE.

Latter Had Hit Brother of Former With a Shotgun.

Mobile, April 20.—J. W. Weatherford, a prominent citizen of Brantley, Ala., shot and instantly killed by his nephew, Avery Hardage, a few miles below this place. There were many eye witnesses to tragedy. Hardage made his escape. The tragedy was the culmination of an old feud.

Weatherford overtook the Hardage boys on a public road and began pounding one of them over the head with the butt end of a shotgun which he was carrying. Avery Hardage pulled his pistol and fired five shots into the body of his uncle, killing him instantly.

POLICE PTOMAIN POISONED.

Forty Members of State Constabulary Ill From Eating Canned Goods.

Chester, Pa., April 20.—About forty members of the state police, who are here as the result of disturbances arising out of the strike of employees of the Chester Traction company, are ill and the ailment has been diagnosed as ptomaine poisoning. None of the men who are members Troop A, C and D are ill. It is believed the trouble was caused by the men eating canned food.

The second week of the strike opened with the company in control of the situation.

Fatal Auto Accident.

Boston, April 20.—William Gallagher of Maide was almost instantly killed. Joseph Shine suffered a concussion of the brain and May Dick and William Flynn were injured in an automobile accident at Brighton. Gallagher, who was driving the car, apparently lost control of it on a down grade, and it smashed into a telegraph pole, throwing out the occupants.

Depart to Visit Relatives.

London, April 20.—King Edward and Queen Alexandra left London Monday morning for a visit to Copenhagen, Stockholm and Christiana, where they will be guests of the royal families at those capitals.

Wyman Reappointed.

Washington, April 20.—The president sent to the senate the nomination of Frank Wyman to be postmaster at St. Louis for a second term of four years.

Four Went to Jail.

Murray, Ky., April 20.—Six alleged nightriders were brought here. Their bond was placed at \$1,200. Two made bond and the others placed in jail.

THOUSAND CARED FOR.

Health Department of Fort Worth Is Taking Sanitary Precautions.

Fort Worth, April 20.—With a drop of four feet in Clear Fork, West Fork and Trinity river, some of the flood victims were able to re-enter their homes, while at least 1,000 persons are still being cared for by charity. Three provision stands are busy dealing out food and clothing to the sufferers.

Gangs of men are repairing track of street car lines and it is expected in two days cars will be running to North Fort Worth and Arlington Heights. The Arlington Heights roadbed for half a mile was entirely washed away and the track lifted and carried thirty feet.

Health department is taking precautions against unsanitary conditions which may develop, as the flood left layers of mud, drifted and debris in yards, streets and lowlands.

A relief committee is receiving funds and assisting the homeless.

DECREASE ATTENDANCE.

"Merry Widow" Hats Tend to Keep Men Away From Church.

Burlington, N. J., April 20.—Several local churches have proposed a ban upon "merry widow" hats in the congregation during services. Pastors declare the men are becoming fewer at services as the number of big hats increase, and this popular style threatens to make many males backsliders. Ushers in some of the more crowded churches were at their wits' end to seat the Easter congregations. Seats which were comfortably accommodated for six persons held no more than four when a quartette wore large hats. In prominent churches hereafter it is proposed to request the ladies who wear big hats to church to check them at the cloak room during services.

CATCH CAUSES COLLAPSE.

Shannon's Star Stunt Startles Spectator Seemingly Seriously.

Newark, N. J., April 20.—Enthusiasm and excitement over a thrilling play in the Newark-New York Giants baseball game here caused the collapse from a stroke of paralysis of Thomas J. Eymann, forty-four years old, of East Orange.

He was taken to St. James' hospital and is in a critical condition. He was in the grand stand when Shannon, leftfielder of the New York team, made a difficult catch of a line drive by Sharp of the Newark. The 5,000 spectators were on their feet in an instant, cheering Shannon wildly. Eymann suddenly sank back in his seat unconscious, his plaudits cut short.

PROTEST OF LABOR.

Three Largely Attended Meetings Held in Prominent Cities.

New York, April 20.—The most important, perhaps, of the several labor mass meetings held throughout the United States was that at Grand Central palace, addressed by President Samuel Gompers of the American Federation of Labor, at which were many persons prominent in the social and official life of the city. In common with the meetings of others cities, the local gathering was for the purpose of publicly demanding remedial legislation by congress in the interest of organized labor, and the speaker urged that congress pass the suggested labor amendment to the Sherman anti-trust law.

At the meeting of the Chicago Federation of Labor resolutions were passed protesting against alleged hostility and indifference of congress to the demands of working men. Included in the resolutions was a petition for immediate passage of a bill amending the Sherman anti-trust law and of the eFarre bill limiting the power of courts to issue injunctions in labor disputes.

Resolutions calling upon congress to enact legislation in which organized labor is interested were adopted at a mass meeting at the Columbia theater, Washington. Senator Dick of Ohio, one of the speakers, endorsed the proposition to blacklist members of congress and political aspirants who are unfriendly to labor. Other speakers were Representative Lloyd of Missouri Hughes of New Jersey, Savage of Illinois, Wilson and Nicholas of Pennsylvania and Green of Massachusetts, all of whom announced their approval of President Gompers' attitude.

REVOLVER BATTLE.

Policeman Badly Wounded and One Antagonist Seriously Shot.

Chicago, April 20.—During a revolver battle with three men, believed to be burglars or highwaymen, Policeman Anthony McGeogegan was shot and dangerously wounded at Fortieth street and Vincennes avenue. William Weber, believed to be one of the policeman's assailants, was found unconscious in a stoneyard near the scene of the battle, suffering from two bullet wounds. Two other men, heavily armed, were arrested while running through an alley. McGeogegan may recover. The wounded prisoner is expected to die.

The two men arrested gave their names as Thomas Kenney and Joseph Madden. Neither is more than twenty years old. Kelly wore a cowboy hat and belt filled with cartridges. In his possession the police say they found a revolver which had been recently discharged and two flasks of whisky.
